How has the GEAR UP Summer Academy helped prepare you for college?

“Every teacher told us something important about college.” – *Jose*

“They helped me because they taught me the importance of college and the reasons why I should go because I didn’t want to go.” – *Tierra*

“It prepared me for college so I will be able to see how the classrooms would be like and the kind of work I would have to do.” – *Richard*

“Gear Up has showed me the college life of picking classes to take, eating better food and how it feels to be in college.” - *Shemiah*

“I found out that you have to be on time for things and also you have lots and lots of classes.” – *Chloe*

“I now know what it’s like to be on a college campus and they run you to death.” – *Tuaniece*

“Gear Up has showed me what some colleges look like and how the kids in college have to work.” - *Kameron*
