Museum of Science and Industry DaVinci Exhibit

“I like how we got to learn more about DaVinci.”- *Kiara P*

“I learned a lot about Leonardo DaVinci that I didn’t know!” – *Cecilia*

“I learned how DaVinci was a inventor, creator, sculptor, drawer” - *Kadeija*

“I like the part when they show the pictures that Leonardo made back in days.” – *Michelle*

“I learned about inventors and the things they made. One career is inventor” - *Jordon*

“I really liked sitting in the airplane. It was like I was really going somewhere.” – *Kiara*

“...when we went to the DaVinci exhibit I learned a lot by reading” – *Noni*

“Children did get to see how DaVinci, as a scientist, was interested in nature and how he studied the subject/topic as a result.” – *Ms. Ingram*
