

Humanities Web Portfolio

Purpose:

1. By completing this project you will learn how to construct a web site.
2. You will use this web site as a means of self-expression and as a way to preserve your best class work.

Grading:

1. Since web site construction is an on-going process, you will receive points for each accomplished task.
2. You will receive a separate instruction page for each step.

Constructing the Web Site:

1. You will learn how to construct a web site using *Netscape Composer*.
2. You will learn how to add to and maintain a web site.

Portfolio Requirements:

1. Your web site will consist of three pages.
 - A. Myself (Homepage)
 - 1) Personal introduction
 - 2) Web site menu
 - 3) Date of last web site update
 - 4) Graphics References
 - B. My Work
 - 1) Assignments worthy of publication
 - 2) Reflections related to class work
 - 2) Annotated web site resources which extend your knowledge of work covered in class
 - C. My Interests
 - 1) Books worth reading
 - 2) Hobbies
 - 3) Entertainment reviews
2. All portfolio work must be proofread. Grammatical errors and spelling errors are unacceptable.

Citation of Resources:

All resources used in web site construction or portfolio entries must be cited.
